New Trends in Dentistry: Facts and Fashion

Dear Friends and Colleagues,

We're happy to invite you to join us in our city, Milan, to attend the EAED's 31st International Congress on May 25-27, 2017.

If you haven't recently visited Milan or if you've never been to this destination, you'll thoroughly enjoy new discoveries in this vibrant city, rich in design, fashion, innovations, architecture and top cuisine.

The city offers the perfect background to the theme of the Scientific program, "New Trends in Dentistry: Facts and Fashion", which is designed to address many current issues in a dynamic and interactive manner. The venues of the congress and of the social events are simply spectacular.

Mark the dates on your calendar and don't miss this special event.

See you in Milan!

Dr. Stefano Gracis
EAED President

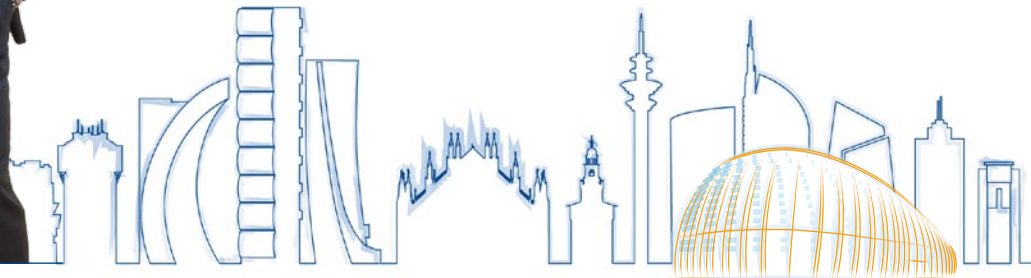

Dr. Matteo Capelli
Local Chairman

and EAED Executive Council:

Prof. Markus Hürzeler (*Vice President*)

Dr. Giano Ricci (*Past President*)

CDT. Nicola Pietrobon (*Secretary General*)

The Congress Venue: Unicredit Pavilion

The Unicredit Pavilion is centrally located between the Garibaldi and Central Railway Stations, easily accessible by metro and within walking distance of all proposed conference hotels.

It has been designed by Michele De Lucchi to complement the modern vertical heights of UniCredit Towers and the landscape of its surrounding park. The architecture demonstrates the value of natural resources, where brightness and large, transparent structures create comfortable surroundings. The building complies with the most demanding international standards of eco-sustainability, designed to achieve the LEED GOLD® certification of excellence.

The Gala Venue: Alfa Romeo Museum

The completely renovated Alfa Romeo Museum in Arese, just a few kilometers from center city, will be the stunning background of the traditional EAED Gala Dinner on Saturday. Six floors of history binding past, present and future and complimenting the achievements of an extraordinary brand, its vehicles, its technology and style.

The Headquarter Hotel: Principe di Savoia

Enjoy the true Milanese experience at Hotel Principe di Savoia, where effortless elegance meets timeless tradition.

Dominating Milan's Piazza della Repubblica, this spectacular landmark building has been the natural home for international travellers and cosmopolitan society since the 1920s. The hotel showcases a winning combination of Old World luxury and the latest technology, overlooking directly onto the new business district of Porta Nuova. **The Principe di Savoia is a short distance from the congress venue.**

Registration Fees

Registration for the EAED 2017 Spring Meeting in Milan opened on November 1st to Guests, Affiliates and Members. For an optimal learning and networking experience, seats for this meeting are limited, so make sure to register soon in order to save yourself a spot.

Honorary Member _____ included in Membership Fee

Affiliate _____ € 200

Accompanying Persons _____ € 150

* Accompanying Person registration fee includes access to general congress areas (no access to scientific sessions) and attendance at the Welcome Reception on May 25th.

Gala Dinner _____ € 180,00 (subject to availability)

Scientific and Innovation Awards

In 2016, EAED established the Scientific and Innovation Awards (previously “Innovation Award”) as part of the Scientific Program of their Annual Spring Meeting.

Dentists, graduate students and dental technologists may apply for the award by submitting an abstract of innovative character, for a poster presentation. It may be a research project containing original data, or even a clinical case presentation executed by an innovative treatment plan.

An appointed Committee will judge all presented posters during the meeting and select the winner who will receive the prize money of € 3,000.

Applications
for the 2017
Scientific and
Innovation Award
are accepted until
March 31st, 2017

Thursday, May 25th

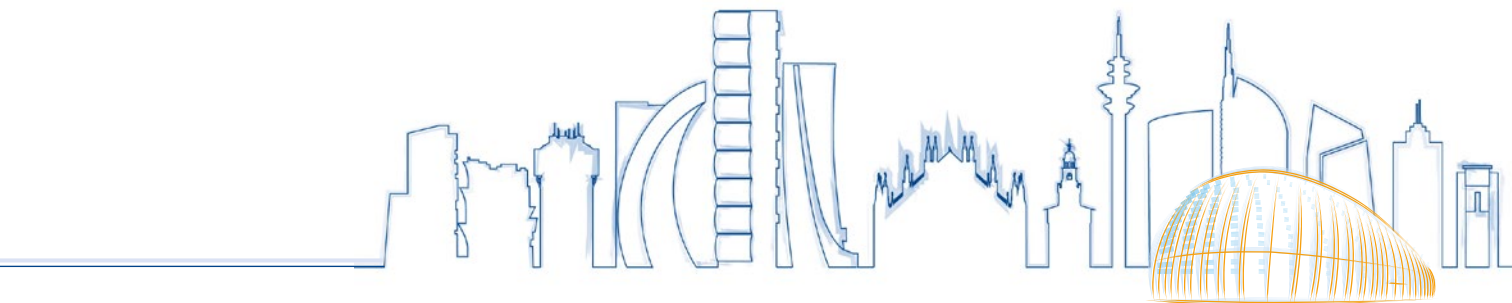

TIME	LOCATION	TOPIC/TITLE	MODERATORS/SPEAKERS
